

Pinheiro Preto 01-12-80.

Olá querida Maura, como vai?
Eu felizmente estou bem e muito feliz.

Maura querida, ao ler esta carta quero que
sinta um pouco da minha felicidade.

Estou muito feliz porque mais uma luta
eu venci, já estou de férias desde o dia 25, aca-
demos de fazer os testes finais no dia 21 e dia 25
fomos receber os resultados, consegui média em todas
as matérias e não fiquei em recuperações de nenhuma
materia.

Os professores de primário e ginásio estavam
em greve a 15 dias, mas hoje reiniciaram as
aulas.

Maura querida é muito lindo o cartão que
me mandou, recebi através dele o seu beijo natali-
no e o de seu marido. Espero que esta carta
também lhe transmita paz, harmonia no seu
coração e no de seu marido e um feliz natal
e um ano novo cheio de boas novas.

Aquele beijo e um forte abraço
para Maura e Causim.

Mari.

OB-21-10 short account

Very early morning balance 10
left Cuttler - 2 miles S. of town 1000 ft.

up along stream bed in steep bank
waterfall about 10 ft. above stream bed
at first comes across a large log which has been washed
down from above & stuck here. At top of waterfall the
stream bed is rocky & at first it is very difficult to pass
but as stream begins to widen & water becomes
shallower it becomes easier to pass with a good deal of difficulty.
After passing the waterfall the stream continues
down hill and a few yards below the waterfall there is a
large rock which has been washed down from
above & stuck here. At top of waterfall the stream bed is
rocky & difficult to pass but as stream begins to widen &
shallower it becomes easier to pass with a good deal of difficulty.

After passing the second waterfall the stream continues
down hill and a few yards below the second waterfall there is a
large rock which has been washed down from
above & stuck here. At top of waterfall the stream bed is
rocky & difficult to pass but as stream begins to widen &
shallower it becomes easier to pass with a good deal of difficulty.

At end of cut the stream turns back to the right
and continues down hill.
